Ends by 12/05/2018

21st World Congress of Soil Science

August 12-17, Rio de Janeiro, Brazil

Scientific program

- Our scientific program will be one of the largest ever seen in the world congress editions.
- We are anticipating 8 to 11 major conferences;
- 16 Interdivision Symposia;
- 4 Innovation Technical Symposia;
- 71 Divisional Symposia;
- 65 Poster Sessions;
- 16 Working Groups, and Voluntary and Satellites Symposia.
- Divisional Symposia and the Working Groups symposia are already open to abstract submission. As the keynote speakers confirm their participation, the Interdivision and Technical Symposia will be available too.
- Follow the announcements on our page!
