

GLOBAL
RESEARCH
ALLIANCE

ON AGRICULTURAL GREENHOUSE GASES

Livestock Research Group meeting

15-16 May 2018

**Supporting the LRG's
networks**

Five global networks in the LRG:

- **Animal Health Network:** coordinated by Dirk van Soosten (Germany)
- **Animal Selection, Genetics and Genomics Network:** coordinated by Suzanne Rowe (NZ)
- **Feed and Nutrition Network:** coordinated by Alex Hristov (USA)
- **Manure Management Network:** jointly coordinated by Dong Hongmin (China), Julio Mosquera Losada (Netherlands) and April Leytem (USA)
- **Rumen Microbial Genomics Network:** coordinated by Sharon Huws (UK)

And three regional networks covering the Mediterranean, South East Asia and Latin America
