GRA-CRG facebook facilitator: Ayaka, Alan, Mark, Lars, Jagadeesh, Megdalena

<https://www.facebook.com/gracroplands/>

The CRG's work plan spans six areas of activity as shown in the diagram. This brochure provides details on each of these work areas.

Current research landscape

Building capability

Good practice guidance & methodologies

Research networks & databases

Collaborative research

Policy support & links to international initiatives

GLOBAL RESEARCH ALLIANCE ON AGRICULTURAL LEARNING GAINS

Cropla

GRA Croplands Research Group

@GRAcroplands

- Since March, 2015
- Likes: 73<sub>2016</sub> -> 99<sub>2019</sub>
- Average 30 reviews per week
- Contents:
  - ✓ *Group activities*
  - ✓ *GRA news and outcome*
  - ✓ *Member countries activities (Multi-languages)*
  - ✓ *IPCC, UNFCCC, FAO news and outcome*

To our dear CRG members:  
If you would like to take part in our new weekly 'Getting to know you' series, we would love to feature you in a future post!  
Please answer the following questions and email to [secretariat@globalresearchalliance.org](mailto:secretariat@globalresearchalliance.org):

1. Name, organization and country
2. Area of specialty
3. What you're currently working on
4. How you're involved in the GRA
5. Why you believe agricultural GHG research is important in 2018 and beyond
6. How you see the GRA's impact on this work
7. Something interesting about you

-or contact the secretariat for a questionnaire form.

We look forward to including you!

Getting to know our Croplands Research Group representatives:

**CRG Co-Chair**

**Rosa Mosquera-Losada, Spain**

Where do you work and what is your area of specialty?

Crop Production & Project Engineering Department, University of Santiago de Compostela, Spain. Also current President of the European Agroforestry Federation.

# Suggestion for actions

- *Join Facebook page*
- *Post “Getting to know you” on FB;*
- *Post/share the new publications, new findings from your country (if possible, bilanguage!)*
- *Reaction to posts/shares*
