

Bethel Shefine, Ethiopia

CLIFF-GRADS Project:

Using a Tier II Model (CQESTR) to Predict Soil Organic Carbon Storage and CO₂ Emissions.

Home University and PhD:

Haramaya University, Climate Smart Agriculture and Biodiversity Conservation.

Host Institute and Supervisor:

Soil and Water Conservation Research Unit, USDA-ARS, USA; Dr. Hero Gollany.

About me:

In my spare time, I enjoy spending time with my kids, family and friends, as well as cooking. I also enjoy reading and participating in community service around my area.

My favorite quote:

"Strive not to be a success, but rather to be of value" (Albert Einstein).
