

# GLOBAL RESEARCH ALLIANCE

ON AGRICULTURAL GREENHOUSE GASES

## Network report : Inventories & NDCs

Presentation to IRG Annual Meeting  
Wageningen, 03<sup>rd</sup> March 2020

## ➤ Leaders

- Richard Eckard
- Alberto Sanz – Cobena
- Andrea Pickering/Hazelle Tomlin
- Ngoni Chirinda

## ➤ Members attending

- 13 attendees (Seyda Ozkan-Gulzari online)

## ***Key Activities***

### ***1. Stocktake table of activities on Inventories & NDCs in countries & regions***

- Initially populate by NZ, US and Australia
- Circulate to network members (and others) to add information on projects
  - *Would this collation effort be a good project for a Cliff-GRAD (August round)?*

### ***2. Toolbox of Tools***

### ***3. Capture success stories – develop case studies/ examples of what has worked e.g. to link NDCs to inventory improvement***

# Communications and connections

GLOBAL  
RESEARCH  
ALLIANCE

ON AGRICULTURAL GREENHOUSE GASES

## ***1. Table of projects put on the website***

- Will promote awareness broadly and help to connect with other RGs

# Opportunities for funding, cooperation

GLOBAL  
RESEARCH  
ALLIANCE

ON AGRICULTURAL GREENHOUSE GASES

## ***Funds already committed for specific projects***

- NZ, US, Australia

## ***Future funding***

- Potential CLIFF GRAD scholarship
- Identify further possibilities from the Table
- Possible points in common with future call of JPI (Joint Program Initiative)

**Thank you**
